A. GENERAL REQUEST

Orange County Power Authority (OCPA) is seeking proposals from qualified consulting firms (Consultants) to provide rate strategy and financial planning & analysis (FP&A) services. This solicitation is not intended to create an exclusive service agreement and multiple awards may be made. OCPA retains the ability, at its sole discretion, to add qualified Consultants at any time.

1. BACKGROUND

OCPA was created as a California Joint Powers Authority (JPA) on November 20, 2020, as a Community Choice Aggregator (CCA) in Orange County. OCPA provides several benefits to its participating customers including:

- Providing electric power at competitive costs with reduced carbon emissions
- Procuring energy with a priority on the use and development of local renewable resources
- Stimulating local job creation through various program development
- Promoting personal and community ownership of renewable resource
- Stabilizing long-term electricity rates for residents and businesses

OCPA is governed by a board of directors (Board) consisting of elected representatives from each participating jurisdiction. The JPA authorizes OCPA with the rights and powers to set rates for the services it furnishes, incur indebtedness, and issue bonds or other obligations.

OCPA currently serves residential, commercial, and municipal customers in communities located within the Cities of Buena Park, Fullerton, Huntington Beach, and Irvine. OCPA's customers receive Transmission & Distribution (T&D) service from Southern California Edison (SCE). OCPA's customers may choose to opt out and receive generation service from their IOU instead of OCPA.

In January 2022, the Board approved the OCPA 2022 (initial) rate design setting Basic Choice rates at parity to SCE, Smart Choice rates at 1.0 cent per kWh greater than Basic Choice rates, and 100% Renewable Choice rates at 1.5 cents per kWh greater than Basic Choice rates. In December 2022, the Board approved the OCPA 2023 rate design, such that Basic Choice rates are set at a 2% discount to Southern California Edison's (SCE) equivalent generation rates, Smart Choice rates are set at 1.0 cent per kWh greater than Basic Choice rates, and 100% Renewable Choice rates are set at 1.5 cents per kWh greater than Basic Choice rates.

2. TERM OF AGREEMENT

This approval of insurance shall neither relieve nor decrease the liability of Consultant.

Qualifying Insurers:

All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by OCPA.

Insurance Coverage Requirements:

Without limiting Consultant's duty to indemnify, Consultant shall maintain in effect throughout the term of this AGREEMENT a policy or policies of insurance with the following minimum limits of liability:

Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Contract. (Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in red. All proposed modifications are subject to OCPA approval.)

Unless otherwise specified by this Contract, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date Consultant completes its performance of services under this Agreement.

Commercial general liability and automobile liability policies shall provide an endorsement naming OCPA, its Directors, Board members, officers, agents, and employees as Additional Insureds with respect to liability arising out of the Consultant's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by OCPA and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Consultant's insurance.

Consultant shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in an Contract, which shall continue in full force and effect.

Consultant shall always during the term of a Contract maintain in force the insurance coverage required under an Contract and shall send, without demand by OCPA, annual certificates to OCPA. If the certificate is not received by the expiration date, Consultant shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Consultant to maintain such insurance is a default of an Contract, which entitles OCPA, at its sole discretion, to terminate an Contract immediately.

(iv) The foregoing requirements as to the types and limits of insurance coverage to be maintained by Consultant, and any approval of said insurance by Authority, is not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by the Consultant pursuant to this Agreement, including but not limited to, the provisions concerning indemnification.

(v) If at any time during the life of the Agreement, any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, Authority has the right but not the duty to obtain the insurance it deems necessary and any premium paid by Authority will be promptly reimbursed by Consultant or Authority will withhold amounts sufficient to pay premium from Consultant payments. In the alternative, Authority may cancel this Agreement. Authority may require the Consultant to provide complete copies of all insurance policies in effect for the duration of the Project.

(vi) Neither Authority nor any of its directors, officials, officers, employees or agents shall be personally responsible for any liability arising under or by virtue of this Agreement.

2.10.5 Separation of Insureds; No Special Limitations. All insurance required by this Section shall contain standard separation of insureds provisions.
